### **2015 BAROQUE SUMMER SCHOOL**

#### **ADA (VIOLIN)**

I found the 2015 Baroque Summer School an extremely rewarding and interesting experience.

The course took place in the amazing grounds of Sidney Sussex College in Cambridge. From the very beginning of the week, participants had a chance to meet each other and have a chat amongst the beautiful greenery. The daily schedule was always very complex and featured a large variety of chamber music sessions. We also had the opportunity to create additional ad hoc groups and perform chosen pieces during the informal student concert at the end of the week.

It was really lovely to be able to meet people from all over the world and share common passion to baroque music!

I'm immensely grateful for the bursary which enabled me to work with members of The Parley of Instruments who I really admire. I would truly recommend this course to every musician, music lover or to somebody who would like to spend a week in a special place with great people and big portion of decent music!
