

Cambridge Early Music

Cambridge Early Music curates an outstanding concert series and its Festival of the Voice, providing you with access to world-class performers. Our education work develops talent and supports our community through music and outreach. Special events and talks unite our band of music-lovers providing a wealth of different experiences to explore and enjoy.

Our projects include:

- Insight – a series of talks and events at Hughes Hall, Cambridge, exploring composers, music and musical instruments which are linked to the concerts programme.
- Renaissance and Baroque Summer Schools for singers and instrumentalists.
- Education project 'Roots', with partners the University of Cambridge, VOCES8 (VCM Foundation), Anglia Ruskin University, the Brook Street Band and Cambridgeshire Music. Working with secondary schools and feeder primary schools from deprived areas of Cambridge and the Cambridgeshire Fens, a Young Leader Project and singing workshops - impacting school and community wellbeing, and providing opportunities for research and training.

Why not join the Friends of Cambridge Early Music as a Friend, Patron or Benefactor to support and nurture our work and our new initiatives? By doing so you can help us to continue to share the gift of music now and in the future. To become a Friend please go to www.cambridgeearlymusic.org and follow the links to Support Us/Friends scheme. Or come and talk to us to find out more.
